JUST RUN

www.ajs-us.org/justrun

Dear _____,

On _____ DATE _____ I will participate in _____ RACE / WALK _____ in _____ CITY _____.

I'll be running as part of the **Just Run** team, a group of people raising support for a cause I believe strongly in, and that I hope you'll support, too: the **Association for a More Just Society (AJS)**. By participating as a "Just Runner" I hope to raise a total of \$_____ for AJS.

Honduras is a beautiful country, full of pine-covered mountains and friendly, generous people. But it's also home to grave injustices: bosses treating workers like slaves, well-connected crooks shoving the poor off of their land, politicians filling their pockets with public funds, victims of rape and robbery as scared of the police as they are of their attackers.

The Association for a More Just Society oversees and funds projects in Honduras that...

- Provide **free legal representation** to victims of street violence, labor violations, land fraud, and other injustices.
- **Empower church and community leaders** to stand up for justice.
- **Investigate and publish stories** that the mainstream press would rather ignore through an online investigative journal, Revistazo.com.

There are thousands, maybe millions of Hondurans just like Laura, Tomasa, and Manuel who need an ally in the fight against injustice.

You can be that ally. Join me and AJS in working to make Honduras a more just society—**sponsor me as I Just Run!**

Thanks so much, and may God bless you!
